

REMOTE WORK POLICY

Effective date: January 15, 2024

Eligibility

Employees may work remotely up to 3 days per week with manager approval, once they have completed 90 days of employment. This arrangement is reviewed quarterly by the employee's direct manager to confirm it continues to meet team needs.

Requesting a remote arrangement

Employees requesting a remote arrangement must submit documentation to their manager for review and written approval before the arrangement begins. The manager will confirm suitability of the employee's home workspace as part of this review.
